LOCAL INGREDIENTS

What makes each Waldorf Astoria Spa truly unique is the way that we introduce local ingredients to your Spa experience – fruits, plant and minerals – many with a traditional history of soothing or healing properties to refresh and rejuvenate.

For thousands of years, aesthetically inclined societies have sought the powerful antioxidants and antibacterial properties of raw honey to promote anti-aging and a beautiful complexion. Here at the Waldorf Astoria Spa, Orlando, the moisturizing wonders of locally crafted honey are infused into our unique skin treatments, products, and personalized therapies to give you the look of natural radiance and healthy glow.
