The Origin of Peacock Alley

A famed Waldorf Astoria tradition,
Peacock Alley is an impressive
signature lounge with all the signs of
the magnificent plumage and parading
that is assimilated with the Peacock. A
delight for all those that are captivated
by magic.
Serving the world's finest coffees, teas
and light bites.

Peacock Alley is also home to a
signature Waldorf Astoria attribute, one
unique legendary timepiece, which is
the exquisite clock designed and built
by Smith of Derby. A family of
clockmakers, who for over 300 years,
have created and cared for some of
the world's most recognized public
clocks.

The grand lobby clock at
Waldorf Astoria Ras Al Khaimah
has been exclusively designed to
honour the regional Arabic culture and
includes the five daily prayer times.
